## **Abstract:**

See below. Determination available in abstract form only. Included under "Letter" field to facilitate database word searching.

---

## **Letter:**

Does the asbestos standard apply to the spraying of an automotive undercoating that contains 6% to 10% asbestos fiber based on a bituminous carrier?

According to Section 61.22(e)(3), the spraying of material containing asbestos encapsulated in a bituminous or resinous binder is exempt. Furthermore, the spraying of automotive undercoating is specifically exempted in the preamble discussion of the June 19, 1978 asbestos revisions.
